

Know Before You Go

Travel smartly and safely through proper planning and sharing.

No matter a short or long trip, manage your trip wisely to ensure a more likely safe and successful journey.

- Communicate your travel plans with friends, family, or co-workers.
- Share your destination, the intended route you're taking, and planned arrival time.
- Research road and weather conditions that might affect your travel time.
- Have a game plan ready in case you run into an emergency situation.
